Professor Otto Glatter
University of Graz
Institute of Chemistry
Physical Chemistry
Heinrichstrasse 28
A-8010 Graz
AUSTRIA

Dear Professor Glatter

SMALL ANGLE X-RAY SCATTERING, ISBN 0122862805, 1982, Glatter

Proposed Use: A PDF to be made of the entire work and posted on a web site at <http://physchem.kfunigraz.ac.at/sm>

As per your letter dated 24 July 2006, we hereby grant you permission to reprint the aforementioned material **on the World Wide Web** at no charge subject to the following conditions:

1. If any part of the material to be used (for example, figures) has appeared in our publication with credit or acknowledgement to another source, permission must also be sought from that source. If such permission is not obtained then that material may not be included in your publication/copies.
2. Suitable acknowledgment to the source must be made as follows:
"Reprinted from Journal title, Volume number, Author(s), Title of article, Pages No., Copyright (Year), with permission from Elsevier".
3. A hyper-text is included to the Elsevier Homepage at <http://www.elsevier.com>
4. Reproduction of this material is confined to the purpose for which permission is hereby given.
5. This permission is granted for non-exclusive world **English** rights only. For other languages please reapply separately for each one required. Permission excludes use in an electronic form other than as specified above.
6. Should the publisher subsequently make the material available electronically the publisher reserves the right to request removal of this version of the material from the aforementioned web site.

Yours sincerely

Clare Truter
Deputy Rights Manager, S&T

Your future requests will be handled more quickly if you complete the online form at
